John & Dee,

I would like to have 3 weeks so I can apply for other positions. If I am able to acquire another position I would gladly resign. I do not feel that I have been treated fairly by the board. I uprooted my family, purchased a home, and been active in the community. I deserve better than the treatment I have received. Not allowing me into the closed sessions is not right.

If I am fired or resign, it puts me in an awful corner for employment. I do have two children in college, two house payment, ect. Not your problem I understand. I also owe a great deal to the staff who have worked so hard on the bilingual education and hate to not honor the work and time they have done. Believe it or not, the staff here truly enjoy me and are extremely supportive as well as the community. My family is my biggest concern and I must take care of them.

I also do not want to cause grief for the district. I respect and enjoy the staff here and negative publicity isn't needed. A board meeting on my contract will have hundreds of people, media, teachers at and it would cause division in the community and school not to mention being embarrassing for all of us.

This situation will virtually end my career aspirations. As long as I'm a superintendent I will have to list that I was asked to resign. I will never be a superintendent in a 3A or 4A school. It's a huge red flag and I will have a difficult time getting another position and will probably have to step out of education. Again, not your problem.

I am requesting the month of March to find another position. Thank you for your time and consideration.

Respectfully,

Mike Wells

Dee,

I would like to notify the staff that I will resign tonight. Is this okay with you? I don't want them to read it in the paper. Please let me know.

Mike

Subject: Resignation

Dear Staff,

I wanted you to hear it from me versus reading it in the papers or from the public tomorrow. I will not be returning as superintendent next year. Tonight, I will resign my position effective at the end of this school year. I want you to know that I've done my very best. I have always done what I believe is best for the children and for the future of the district. I have no regrets! I have not been perfect but my intentions were always good! The board will receive my letter of resignation at tonight's board meeting.

I want to thank you for your support. I have never worked with a more professional group of people. Thank you for this wonderful opportunity.

Blessings,

Mike Wells
